

# AUDIT 100% OF EXPENSE REPORTS BEFORE REIMBURSEMENT

How well is your agency managing fraud detection?

**\$194K**

cost of fraud in the Federal Government each time it occurs<sup>1</sup>

**\$180K**

cost of fraud in State and Local each time it occurs<sup>2</sup>

**18.7%**

of the reported fraud instances occurred in government entities<sup>3</sup>

With Concur® Detect by AppZen, automate the detection and identification of errors, violations, and potential fraud

Execute consistent policy enforcement across the agency

Pay only on valid reimbursement claims

Focus on resolving fraud, not identifying it

DRIVE COMPLIANCE

IMPROVE USER-EXPERIENCE

INCREASE EFFICIENCY

Improve employee behavior and accountability over Employee Initiated Spend with Artificial intelligence.

## The Concur Detect difference:

Taps external sources to research expenses

Spots accidents vs malicious intent

Patented ReceiptIQ™ Technology

Integrates with Concur® Expense
